VIDEOTAPING/PHOTOGRAPHY 2022-2023 SCHOOL YEAR

Occasionally, we take pictures or videotape students for educational purposes. At times, we also publish students' photos or videos on the school's website or Facebook page.

The law requires that we obtain consent from parents to use information/photos of students for educational purposes or for publication in school newsletters or websites.

Please complete this form and return it to school.

☐ My child, _____, has permission to be photographed or videotaped. I give consent for these photos to be published in things such as school newsletters, the local newspaper, or on Facebook.

☐ I give permission for my child's name to be published with his/her photo. (No other identifiable information will be released.)

☐ My child, _____, **does not** have permission to be photographed or videotaped.
